~~Minutes of MRAC Meeting, Thurs. Nov. 1, 1951~~

1. Meeting was opened at 8:15 p. m. by Ken Eggert, ~~2d~~ substituting for Pres. Fred Zolin.
2. Minutes of previous meeting were read and approved.
3. Treasurer Lewis gave a report on the club's financial standing.
4. Communications were read by Sec'y Brown among which was a letter of complaint from Herbert Schultz concerning his alleged mistreatment and discrimination against his parking privileges at the MPAC picnic on Sunday, Sept. 16.
5. Bob Harkness, W9GZR, made a motion to send a letter of apology to the complainant but later withdrew his motion on a recommendation by John Scarvaci that the matter be handled by the MRAC board of directors.
6. The balance of the meeting was turned over to Board Chairman and Emergency Coordinator, Ralph Koenig, who led the discussion on Civil Defense ~~par~~ practices. He in turn introduced Harry Barnes who presented an interpretation of NPA~~85~~ order M-85 covering the purchase of electronic equipment by amateurs engaged in Civil Defense activities.
7. Next, a discussion was held concerning the proposed MRAC activity on Nov. 10. Harry Barnes gave a resume of the parade route and stated that seven mobile units and the MPAC mobile truck were tentatively slated for participation in the CD parade. A lengthy discussion also was held regarding the future frequencies to be used in civil defense...including the 2 $\frac{1}{2}$  meter band.
8. Ralph Koenig called upon Doug Pavcek to contact the co-ordinator and get the required number of men and cars...and the proper information to Herbert Waring. Fred Zolin also was to check with the MRAC board of directors concerning the use of the Mobile Truck unit in the parade.

9. <sup>motion</sup> A lengthy discussion ~~also was held~~ <sup>re</sup> concerning the use of additional equipment and frequencies for relaying point-to-point messages with cross-band operation. Mr. Koenig also stressed the possibility of using extra (possibly 2 operators) at each station location---plus a proposed format for CD traffic handling. He also broached again the possibility of 2 meter operation...suggesting that the club <sup>MILAC</sup> procure equipment for operation on the higher frequencies.
10. Mention was made of a local amateur causing unnecessary interference on two meters and illegally broadcasting ~~xxxx~~ musical programs and other material generally acknowledged by the FCC to be illegal.
11. Motion was made to adjourn at 10...by Bernie Phillipson...

1. Meeting called to order at 8:20 p. m. by Pres. Fred Zolin.
2. The minutes of the previous meeting were read by secretary Brown and approved.
3. A slight catastrophe occurred after the minutes were approved. Whether it was because a member was astonished at their correctness or another incident occurred, <sup>the</sup> said member fell to the floor when his chair gave way. No illustration is being made herewith to the downward force exerted upon the weakened chair rungs.
4. After the pandemonium had subsided treasurer Lewis gave his weekly report.
5. Secretary Brown then read communications including a letter from the Army Air Forces concerning an amateur network for emergency purposes.
6. President Zolin made mention of an article which was published in QST which mentioned the outstanding contribution made by MRAC members at Elkhart Lake races.
7. Further announcement was made concerning the request for 6 or 7 mobiles to participate in the Civilian Defense parade.
8. President Zolin also announced that the Milwaukee Boys Club now has its own call letter for the newly organized station---Call letters are: W9PZI. Operations are planned for 10, 20 and 75 meter bands.
9. The business portion of this meeting was adjourned at approximately 8:37 in order to give the major part of our evening to our featured speaker, Mr. Herbert Cornell, who gave an interesting lecture on the subject of astronomy. Mr. Cornell continued until 10:07 p.m. and the meeting was adjourned shortly thereafter on motion of Will Herzog and seconded by Mark Mandelker
10. Next week's meeting is to feature a lecture on weather forecasting, gathering and transmission of data by Mr. Robert Schmidli, W9OYT of the U. S. Weather Service.

Minutes of MRAC Meeting, Dec. 6, 1951

1. Meeting was called to order at 820 p by Pres. Zolin
2. Secretary Brown read minutes of the previous meeting. These were approved as read.
3. Treasurer Lewis gave his financial report.
4. Communications and reports were then read by Secretary Brown.  
(Including ~~and~~ ~~re~~ ~~over~~ ~~Speaker~~ ~~...~~)
5. Pres. Zolin called for interrogation of new members but none were present.
6. An announcement was made concerning the old timer's party on Dec. 27 at the ~~Blatz~~ <sup>Papa</sup> Brewery.
7. The remainder of the meeting was under the supervision of Emergency Coordinator, Ralph Koenig, W9NUP. Koenig appealed for more 10 meter activity ~~on~~ in connection with Civilian Defense. Koenig also referred briefly to the CD meeting in Washington attended by Harry Barnes. A report is expected on this meeting in the near future. It was expected that the report would cover the assignment of civilian defense frequencies.

Next, the question of the Red Cross ownership of emergency equipment was brought up. Mr. Koenig explained the operation of the equipment by emergency corps members...and how the equipment was purchased and owned by the Red Cross. The flexed emergency net frequency was listed as 29,500. Mr. Koenig then announced that he had not heard any activity from the Shorewood or Greendale installations recently. Also that there was no CD activity in South Milwaukee. An Appeal was made for more assistance for Lynn Lewis at the Greendale location.

Mr. Koenig then stressed some of the essentials for civilian defense equipment operating---including portability and flexibility in power supplies. He also requested information concerning the list of available operators and drivers for the MRAC Mobile Unit W9NRM.

He brought up the subject of a coordinated city and county plan to tie all emergency nets into one master operating procedure. Fred Catel, W9LTK then stressed the need for immediate communication with all operators in the lower echelons or "nerve ends" of the system...and mentioned that this subject had been referred to previously.

Mr. Koenig then described how the members of the emergency corps are alerted by land line phone and the significance of the Army's "white Alert" system.

Discussion of 2-meter activity as a possible CD frequency also was held...and some of the members mentioned various ways and means of alerting emergency operators ~~byxxxxxx~~ including a signal or alarm system on 2 meters.

8. Brief mention was made of the call letter license plate situation. Fred Zolin was to write for information, to the state motor vehicle department.
9. Motion to adjourn was made by Herb Parish, seconded by Bernie Phillipson. Meeting adjourned at 955p.
